CHOOSING THE RIGHT MIRROR

Choosing an illuminated mirror will help enlarge even the smallest of spaces, reflecting light around the room and brightening your day. A host of useful features such as heated demister pads and integrated recharging sockets will make you wonder how you ever managed without one.

Colour Changing

LIGHT TEMPERATURE CHANGING TECHNOLOGY

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your mirror illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

Reliability

Control Testing

We've tested the reliability and repeatability of the switching interface through 100,000 cycles.

NEW MOTION SENSOR TECHNOLOGY

Add convenience and efficiency with motion activated lighting — it turns on as you walk into your bathroom and off when you leave, saving energy and keeping your space sleek.

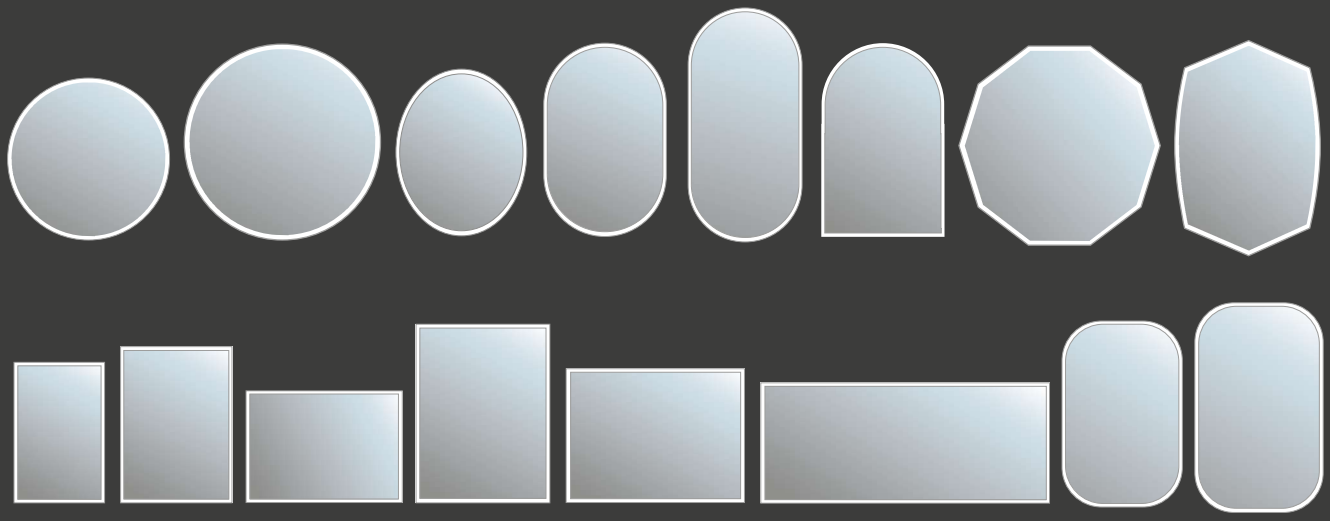
Scan here for more detail on the motion sensor

GHOST GLASS TECHNOLOGY

Experience the elegance of **innovation** with our ghost glass bathroom mirrors. When switched off, the mirror presents a sleek, **seamless surface** with **no visible light perimeter** -maintaining a clean, minimalist aesthetic. But with a simple touch, the **edges come to life**, softly illuminating to reveal **a striking halo effect** around the mirror. The result is a subtle transformation - an everyday mirror that becomes a luminous design statement.

SOMETHING TO SUIT ALL BATHROOMS

We have a wide selection of mirrors in different shapes, sizes and finishes. Our slim depth mirrors, which protrude 30mm or less from the wall, are perfect for creating a sleek, modern look while maximising space in smaller bathrooms. Their minimalist design helps to make your bathroom feel more open and less cluttered.



BATHROOM SAFETY & PEACE OF MIND

Tavistock mirrors have been tested for compliance with electrical equipment safety regulations. Our illuminated mirrors are IP44 rated and suitable for use within the bathroom. All of our mirrors also benefit from a 10 year guarantee against manufacturing defects as well as a 2 year guarantee against electrical component manufacturing defects, how's that for assurance?

10 YEAR GUARANTEE

Alderbury Mirror - No Accessories

Alderbury Mirror with Strap

Alderbury Mirror with Brackets

ALDERBURY

Whether you're looking for classic design or the latest in mirror technology, the Alderbury range combines the traditional with the modern. Offering flexible design options including three finishes, a demist feature and ghost glass technology, Alderbury mirrors are made to be the centrepiece of your new bathroom.

- Modular design – Choose between standard frame, traditional wall hangers or hanging straps in brown or black
- Innovative ghost glass technology for a clean aesthetic when off
- Motion sensing with auto-off (optional feature)
- Three touch sensors for light colour changing technology, to control brightness and separate heated demister pad controls with auto-off feature
- Variable & dimmable LEDs provide warmth and brightness from an invigorating daylight white (6000k) to a relaxing warm white (2700k) on all variants.
- IP44 rated for safe use in the bathroom
- Aluminium frame in on-trend finishes - chrome, brushed brass or brushed nickel
- Optional accessories available - Hanging strap or Wall brackets.

2. Optional Brackets or Strap

Add the suffix below to your chosen mirror code. For example ALM40PCHF4 would generate an order for 400 Pill Mirror in chrome with brackets

Wall Brackets	Brown Strap	Black Strap
F4	F2	F3
£84.00	**£49.00**	**£49.00**

Note: Strap not suitable for 1000mm circular mirror.
Wall brackets supplied as a pair and can be mounted top and bottom or on either side.

CHOOSING THE RIGHT CABINET

If you're looking for additional storage, a mirrored cabinet can help to create a calm, clutter-free space. Tavistock has an extensive collection of cabinets with a host of useful features to choose from. Heated demister doors keep things steam-free and light temperature technology puts you in control of the illumination of your bathroom.

LIGHT TEMPERATURE CHANGING TECHNOLOGY

This lets you create the perfect bathroom environment by enabling you to adjust the warmth of your cabinet illumination to suit both the task in hand and time of day. Kick-start your day with bright, invigorating daylight. Then choose a natural light to apply make-up and a warm light for sleepy late evening tasks.

Light temperature ranges from 2700K (Warm White) to 6000K (Daylight White). You can also adjust the intensity of the light to be as bright or as dim as you wish.

COMPLETE HARMONY

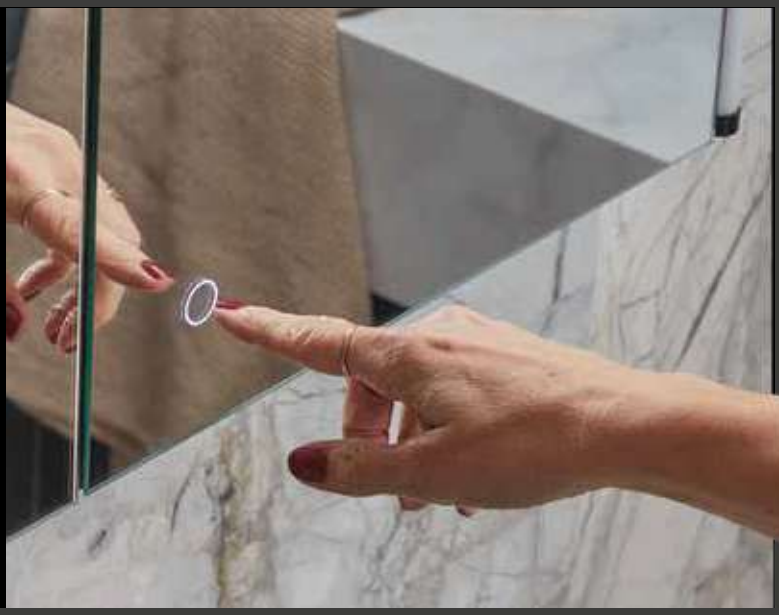
Our versatile cabinet offering also includes colour matching so they can be paired perfectly with your Tavistock furniture, available in a range of finishes and sizes. Perfect for the way we live today, many come loaded with features, such as recharging and USB sockets to help keep your electric shaver, toothbrush and devices fully charged.

INTUITIVE TECHNOLOGY

Many of our cabinets feature intuitive touch switch technology which enables you to adjust both the warmth and brightness of the LED lighting for your cabinet to suit your mood, or lightly press to turn on/off.

AT THE WAVE OF A HAND

Easily control your cabinet with our intuitive contactless controls. Designed with you in mind, these controls add simplicity and convenience to your everyday tasks, plus they're hygienic too.

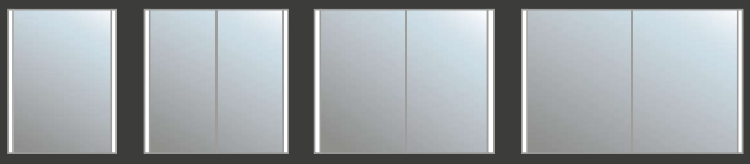


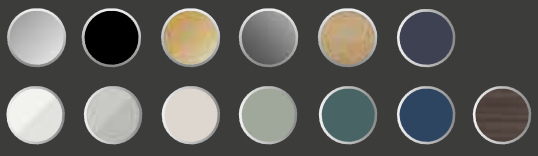
Steam Free

Many of our cabinets feature heated demister doors to keep your cabinet steam-free. You'll really appreciate never having to wipe it down again! The heated demister pad heats the mirrored doors to a few degrees above room temperature within 2-3 minutes, preventing them from misting in even the steamiest of bathrooms.

SOMETHING TO SUIT ALL BATHROOMS

At Tavistock we are mindful that bathrooms come in all shapes and sizes; that's why we have a wide selection of cabinets in different sizes and finishes, to suit any bathroom, no matter how big or small.





BATHROOM SAFETY & PEACE OF MIND

Tavistock cabinets have been tested for compliance with electrical equipment safety regulations. Our illuminated cabinets are IP44 rated and suitable for use within the bathroom. All of our cabinets also benefit from a 10 year guarantee against manufacturing defects as well as a 2 year guarantee against electrical component manufacturing defects, how's that for assurance?

10 YEAR GUARANTEE

PORTRAIT

Touch sensor anywhere under cabinet

Our Portrait cabinet offers ample storage along with handy features to make it the perfect multitasking addition to your bathroom. Featuring both two-pin and USB charging sockets to keep your toothbrushes and shavers charged, whilst colour changing and dimmable LEDs allow you to create your perfect ambience. Lighting and demister controlled by a smart touch bar hidden under the cabinet.

- Can be surface mounted or recessed
- Available in 500mm, 600mm and 800mm widths
- Available in Aluminium, Black, Brushed Brass & Gunmetal Finishes
- Variable & dimmable LEDs provide warmth and brightness from an invigorating daylight white (6000k) to a relaxing warm white (2700k)
- Touch controlled on/off bar to operate lighting and heated demister pad
- Internal two-pin and USB charging sockets for toothbrushes and shavers
- Heated demister pad prevents mirror from steaming up
- Soft-close doors provide quiet, controlled closure
- Features four adjustable glass shelves
- Double sided mirror doors and mirrored sides
- IP44 rated for safe use in the bathroom
