JT Shower Tray Collection

www.just-trays.co.uk

Over 30 years of design, quality & innovation

For three decades, we have proudly flown the flag for quality British manufacturing from our state-of-the-art manufacturing plant in Leeds. Our design, innovation and award-winning quality today sees JT deliver over a third of all shower tray sales in the UK and export internationally. Thank you for choosing JT and supporting Great British Manufacturing.

Black

Removable drain cover

Delivered with standard trap and colour match removable grill.

Scratch Resistant

Unbeatable resistance to impacts. Medium-high resistance level to scratches and good resistance to abrasion.

Anti-slip Class B

Tested according to DIN 51097:1992 Performance: Class B and UNE 41901:2017 EX (pendulum) Performance: Class 2.

Easy to transport

Softstone comes in a manageable box, allowing it to be loaded, transported and handled by just one person in a simple and convenient way.

Softstone is warm and silent

No more cold feet! Softstone has an incredibly warm and soft feel to it. Softstone is also silent: its surface muffles the sound of the water falling on it.

UV Radiation Resistance

High resistance to UV radiation, tested according to EN ISO 4586- 2 standard. Performance: Excellent.

Anti-bacterial

The material contains a component which prevents from bacteria and fungi proliferation.

Silent

Softstone is a noise absorbing shower tray that accomplishes Swiss norm SIA 181:2006 Result: 35dB.

Easy to install

Integrated slope. It is easily installed, in a clean and simple way, saving time and money. Softstone is compatible with every type of shower screen.

Aqua cushion flooring

A tray like no other, the Softstone by JT Aqua Cushion Floor transforms the everyday shower into a refined sensory experience. Its indulgently soft-touch surface is expertly engineered with an ergonomic, non-slip design, delivering exceptional comfort, confidence, and safety underfoot.

Finished in a beautifully understated slate-effect texture, Softstone is available in timeless black or white and offered in a curated range of set sizes, allowing for seamless standard installations or elegantly tailored shower spaces.

- 11 set sizes
- Non-slip ergonomic surface (Class B to DIN51097)
- Recyclable
- Installation kit included and installation video available at just-trays.co.uk
- Colour matched grill

It's a
kind of
magic

merlin

The JTMerlin™ is the original easy plumb, easy access shower tray. An installers dream, the product is made from ABS capped acrylic stone resin and features adjustable feet hidden behind removable panels.

JTMerlin™ is ideal for awkward, new installations and existing tray replacements. The integrated upstand option is simply recessed into the wall allowing tiles to overlap for a watertight installation.

Since 2022, we made all our stone resin shower trays 25% lighter in weight, in order to reduce our carbon footprint and be kinder to the environment without compromising on quality.

ultracast

A simple yet graceful ABS capped acrylic stone resin design, the JTUltracast™ is available as a flat top or tiling upstand tray.

The integrated upstand option is simply recessed into the wall allowing tiles to overlap for a watertight installation.

Ideal for awkward and new installations, as well as existing shower tray replacements.

Since 2022, we made all our stone resin shower trays 25% lighter in weight, in order to reduce our carbon footprint and be kinder to the environment without compromising on quality.

- Available in square, rectangle, quadrant and offset quadrant
- 39 size options
- Integrated 13mm tiling upstand option available
- 50mm waste outlet
- 25 year guarantee
- JTAnti-Slip™ available

Simple
elegance

► Uncompromising Comfort & Hygiene

Designed with a textured yet comfortable surface, our anti-slip shower trays maintain a soft, skin-friendly feel while preventing soap and water build-up, making cleaning effortless.

anti-slip

► Safety First, Always

Built in Anti-Slip technology incorporated into the shower tray acrylic skin providing enhanced stability and peace of mind for all users, especially children, elderly individuals, and those with mobility concerns.

Class C slip rating DIN 51097:1992-11 - the highest level of approval for domestic use. Minimise the risk of slip and falls without the need of a mat.

Independently tested and approved.
Conforms to BS7976-2 2002.

► Smart Investment in Home Value

A safer, well-designed bathroom is a strong selling point for any home. Choosing an anti-slip shower tray enhances functionality and contributes to the overall added value of the property.

BY

► Long-Lasting Durability

Unlike mats or coatings that wear out over time, our integrated anti-slip technology is built into the tray itself, ensuring long-term performance without peeling or degradation whilst maintaining a premium high-end look.

Take the safe option

Accessories

Concealed Waste
A new Dimension

Concealed white waste cover designed to give the seamless look to your shower tray. Fits in the standard 90mm waste.

flow by JT
Complex plumbing simplified

38 litres of water a minute can be carried away due to the innovative design of this 50mm waste. The **flow by JT** conforms to BS EN 274-1:2002 and features an easily removable dome for cleaning.

JT90mm waste & concealed waste
Rapid water dispersal

A 90mm rapid waste outlet that allows 48 litres of water to be carried away each minute. Its sleek lines perfectly complement the **Fusion by JT** range. The product conforms to BS EN 274-1:2002 and features an easily removable cap.

Matt Black Waste
A new Dimension

A black 90mm matt waste cover designed to complement the trend of black trims on shower enclosures and black brassware in the bathroom.

JT vertical 90mm waste
Intelligent water removal

A 90mm vertical waste designed to help assist the water dispersal where the fall for the waste pipe cannot be achieved. Conforms to BS EN 274-1:2002, the product carries away 48 litres of water a minute. Also features an easily removable dome for cleaning.

JT Essentials Flexi Seal
Quick And Easy To Install Leak-Proof Upstand
Tiling Flexi Seal

Designed to provide a durable, leak-proof tiling upstand seal between the tile and the wall to ensure your bathroom stays dry and protected. 3.8m length, UV resistant. No drying or curing times. Suitable for shower trays, baths and kitchen worktops.

flexi-fix by JT
Flexible water-proofing solutions

The patented JTFlexi-Fix™ is the perfect solution should a flat top tray be the only option. Complete with all the added benefits of a tiling upstand, the easy-application tape is self-adhesive, wraps around corners in one-piece and creates a watertight seal. Available in 3.2 metre lengths.

White Gloss Waste
Simple, quick and straight forward

A Gloss white 90mm waste cover designed to complement the white gloss trays for the perfect match.

anti-slip by JT
The safe option

Exclusively available to JT, this colourless, independently tested and approved to Class C application, can be applied to any existing shower tray or bath to create a non-slip surface, whilst retaining a premium look. Covers 1.2m².
